

Bond Release Findings

Mine Name: Falenia Mine
Operator: Interstate Brick Company
C/o John Hewitt
9780 S 5200 W
West Jordon, UT 84088

I.D. No.: S450058
Mineral Ownership: fee
Surface Ownership: fee
Permit Term: 2001

Disturbed Area: *None*

Setting and Premining Environment

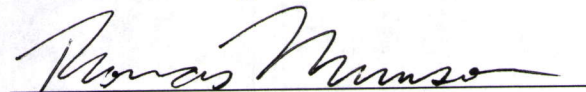

Site is located West Of Tooele, Utah and was a historic mine site

Operations

There is a historic pit and the mine was proposed to be mined for shale. The property ownership became a problem and the company was unable to mine the property.

Recommendation

There was no mining and therefore no disturbance. The permit can be closed.
